

I would like to comment on the services of K-LOVE. It is such an encouragement to me and my family. in a world that is so full of hate and discouragment it is such a blessing to have the positive attitudes and the uplifting music that K-Love offers. It is also a blessing as a parent to have something for my children to listen to and know that there is nothing offensive or unmoral being said or played.

I truly believe that if this station was to be removed from the airwaves our community would loose out on a true blessing and honor.

Again I think that K-LOVE offers a hope to many who no longer have hope in their lives. This is much needed in our society today. We have every right to hear Christian broadcasting on the airwaves. It others don't like it change the channel. That is what I do with broadcasting that I don't like! This is our right!!

Thank you,
